Hello
Let's get you checked in

There are four simple steps to complete:

1. Enter each guest's document information
2. Enter each guest's payment card information
3. Upload each guest's photo
4. Download and print your boarding passes

Please have your passport and payment card handy as we need this information for every guest on the booking. You can enter the information for everyone or each guest can fill in their own details. If you've visited My Cunard before, you might find some of these details are already complete.

The status of each guest is shown next to their name, allowing you to see who is checked in and who isn't.

We also need you to upload a passport-style photo of every guest on the booking. When all guest information has been submitted, boarding passes for each guest will be available to download.

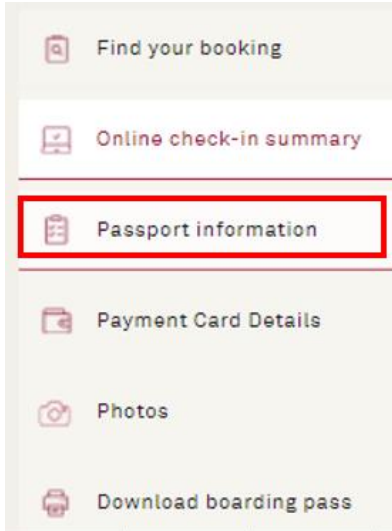

You don't have to complete check-in in one visit. You can log in any time to add details and continue the check-in process, until 10pm GMT the day before your holiday. If you have trouble uploading photos, we can do this for you at the terminal, but doing so now will greatly speed up your check-in process.

Please note, after 30 minutes of inactivity you will be automatically logged out for your security.

The 'Passport information' form is displayed. The left sidebar menu is visible. The main content area shows the title 'Passport information.' and a table with columns: 'Booking reference', 'Ship name', 'Departure date', and 'Stateroom'. Below the table, there are two guest selection boxes. Each box contains a radio button (highlighted with a red box), a name (e.g., '予約名 1'), and a red error message: 'Passport information is incomplete'. Below the boxes, there is instructional text: 'When you've completed entering details for one guest, press "Save and continue". You can then choose to add details for another guest or move on and enter your payment card details. If you need to change first name, last name or date of birth please call our Customer Contact Centre or contact your travel agent.'

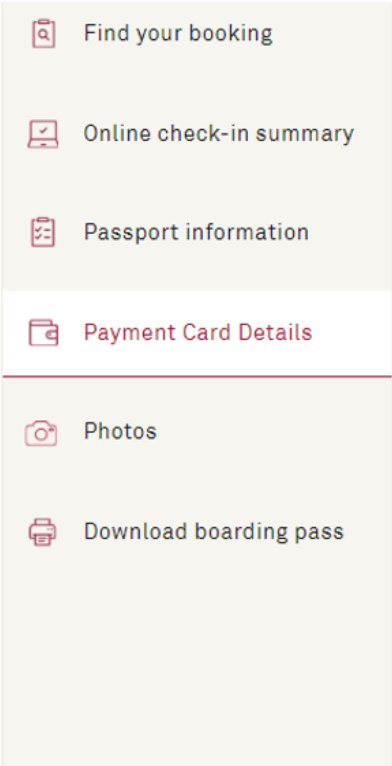

ご入力完了後、「SAVE AND CONTINUE」をクリック

Two buttons are shown: a white 'Reset' button and a dark red 'SAVE AND CONTINUE' button.

Payment card details.

Booking reference	Ship name	Departure date	Stateroom

We need payment card details in order to update an on board account for each guest. We will only charge your card when you make a purchase on board. You can use the same payment card for each guest, if you wish to do so. Rest assured, we will keep your payment card details safe and secure.

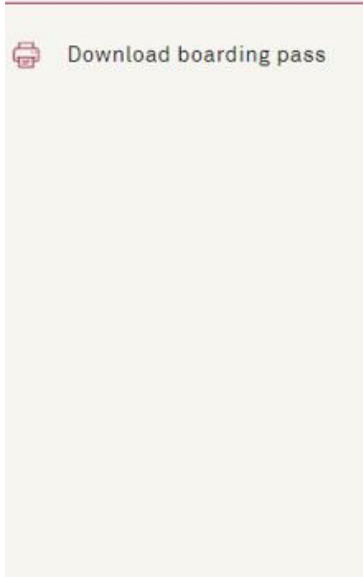

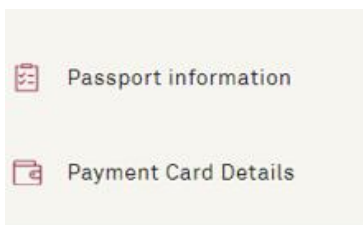

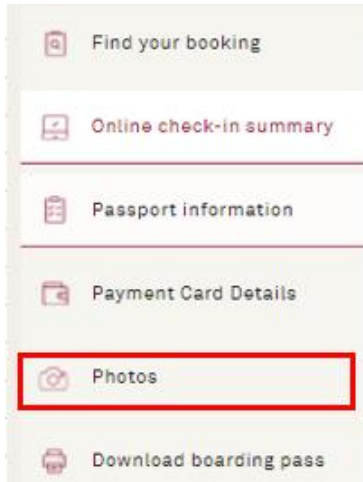

To enter your details click 'Add card' below. If another guest (18 years or older) wishes to register or amend their own payment card, they must log in to do this. You can amend your payment card details up until 10pm GMT the day before your voyage. To do this you'll need to press 'Remove card' and then choose 'Add card'.

We require each guest to supply a recent photo to board the ship. By uploading your photo today, it will speed up check-in and avoid delays in the terminal. Simply click 'Add photo' to either upload a photo you have saved on file or to take a new photo with your webcam. If another adult guest wishes to add or amend their own photo, they must log in to do this. If you wish to view your photo after uploading it, simply click 'Manage Photo' and you will be given the option to replace or remove it.

The photo must adhere to the following criteria:

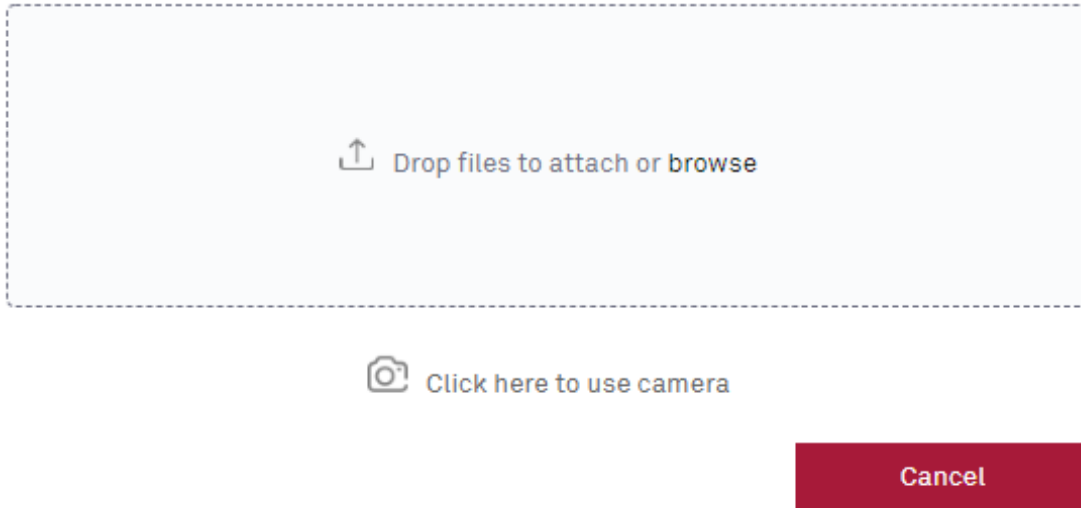

1. Show your full head and upper shoulders (religious or medical head coverings are fine)
2. Show you facing forwards and looking straight at the camera
3. Show you with your eyes open and visible (glasses may be worn so long as your eyes are visible)
4. Be clear and in focus
5. Be in colour and taken against a plain, light-coloured, background
6. Contain no other objects or people
7. Be taken ideally within the last month
8. Be a true likeness from which you can be identified

If you have trouble uploading your photos we can do this for you at the terminal but doing so now will greatly speed up check-in. For best results please upload a photo no more than 5MB in size.
